General Statement

The S.E. Mackey Center is a first class workout facility, which offers a wide variety of programs and services to its members. The space within our facility is carefully scheduled to accommodate the numerous activities and programs provided for our members. We will make every effort to keep all of our facilities and equipment available for our members at all times; however, Full Gospel United Pentecostal Church events or services, maintenance and/or special circumstances may make it necessary to close certain (or all) portions of the facility at times or to shut down certain pieces of equipment.

Our facility is for the whole family and our courteous staff is committed to serve persons of all ages. However, in order to maintain the highest standards of safety, our children and youth have certain limitations and their parents have the responsibility to enforce these limitations.

Special Notes

- We will make every effort to keep all of our facilities and equipment available for our members at all times; however, we reserve the right to close the entire facility, portions of the facility or equipment at any time.
- The entire facility will be closed at least one week each year for Full Gospel's obligations to the Capital City Youth Convocation.
- Our workout and program areas close thirty minutes before the building closes. This is to allow our staff time to secure the building and allow members time to shower before the facility closes.
- A child must be at least 15 years old to be left alone in the building and can stay no more than four hours per day, unless enrolled in a scheduled event.
- Children, age 14 and below, may not be left in the facility without a parent/guardian being on the premises and can stay no more than two hours per day, unless enrolled in a scheduled event.
- Children must be 15 years of age to use the workout areas without supervision.
- The S.E. Mackey Center reserves the right to revoke membership or refuse service to any person who does not adhere to this policy and other rules set forth by the S.E. Mackey Center or its Executive Director.
